

Mad Libs Songs

Directions: Have the other person give you words for the parts of speech listed under the blanks WITHOUT KNOWING WHERE YOU ARE IN THE SONG. The idea is to have them give you random words to make a new and funny song.

Noun = person, place, thing, or idea

Verb = something you can do

Adjective (adj.) = descriptive word, like how it feels, looks, sounds, tastes

Adverb = describes the verb (how did you run? Quickly)
